

Message from the President

By Brian Holley, President of Sun City Civic Association

Happy June, everyone!

There is some important information about the golf course, so please keep reading.

The Crystal Pool will be heated and ready for use by Memorial Day weekend with monitors in place. Please show respect for the monitors and their requests, which are minimal and intended only to enforce our Rules and Regulations. We have also become aware of homeless individuals, attempting to climb over fences to access the facilities. If you see anything suspicious, please contact the office or maintenance staff as soon as possible. We do not have to worry about seniors climbing fences because they already know how to get in, lol.

At the April Open Board Meeting, the Board voted to table the sale of Corbett Park for several reasons, the primary one being the changing laws and regulations affecting HOAs throughout California. As a result, the property will not be sold in the foreseeable future.

Regarding the golf course, I was very pleased to see the large turnout of residents who attended the City Council and Planning Commission meetings to voice their opinions about development proposals for the golf course property.

Several questions have been raised following the developer's community meetings. I will try to answer them to the best of my knowledge and based on my opinion, and you can draw your own conclusions.

Did the developer fail to do due diligence?

The current owner stated that he worked for the previous owners, the Rhee family, in South Korea for approximately 10 years. If that is the case, one would assume he was aware of the situation involving the property and the governing documents. If not, it raises questions about what information was reviewed before the purchase.

Will the City of Menifee honor the CC&Rs?

One important question for the City is whether they will require the developer to obtain the vote mandated by the CC&Rs before considering any plans that would change the golf course zoning or use. If the City does not require this process, then it could send a message to the many HOA communities throughout Menifee that CC&Rs will not be taken into consideration when development proposals are submitted.

The developer stated that the CC&Rs have expired.

The CC&Rs have not expired. They automatically renew every 10 years and will continue to do so unless the members of SCCA vote to amend or remove them. Protecting the CC&Rs, bylaws, and Rules and Regulations is part of the Board's responsibility and fiduciary duty.

The 1997 consolidation of the CC&Rs

The developer stated that a vote was not obtained from the golf course ownership during the 1997 consolidation of the CC&Rs, which included restrictions limiting certain tracts and lots to golf course use. However, the owner at that time did participate in the vote. The owner in 1997 was neither the Rhee family nor the current developer. The consolidation passed overwhelmingly with well over the required two-thirds approval.

Who gets to vote on changing the CC&Rs?

Under the consolidated 1997 CC&Rs, all 4,766 homeowners are entitled to vote. A two-thirds approval is required, meaning 3,177 affirmative votes would be necessary to approve any changes. If only 1,000 people vote, that would not meet the required threshold, meaning the amendment would fail. This high threshold is one reason the previous owners held the property for 14 years without moving forward. Conducting such a vote is expensive, and the previous owners reportedly did not want to bear that cost. In my opinion, the current owner should pay for the vote, and everyone should respect the outcome.

Claims regarding water costs

This issue is somewhat interesting. In speaking with the former General Manager of the golf course, I was told the water costs ranged from approximately \$20,000 to \$30,000 per month, depending on weather conditions. That does not equate to the \$1 million per year figure mentioned by the developer. It should also be noted that the current owner shut off the water completely six days prior to the close of escrow.

Message from the President (continued)

Why are community meetings being held?

It has been suggested that the developer is holding meetings to gather resident input. However, many residents have questioned why these meetings are being held if none of the suggestions offered by attendees have been incorporated and many questions remain unanswered. The uncertainty surrounding the future of the golf course continues to create unnecessary stress for many seniors in the community.

It is also important to remember that the previous owners held the North Course and Cherry Hills properties for 14 years without ever submitting formal development plans to the City. There were many discussions and presentations over the years, but no official applications were filed. At this point, there is little anyone can do until plans are formally submitted to the City, and we stand prepared for that possibility.

One final thought: If a vote is ultimately held and the CC&Rs are changed, then the Association will no longer have any authority over what is built on the golf course property. Whether it becomes single-family homes or "single-family homes with lofts" — which effectively means two-story homes — the Association's influence would end once the CC&Rs are amended.

Regardless of anyone's position on development, two things remain critically important: Those are encouraging residents to participate in the voting process and requiring the developer or investor to pay for the cost of that vote. Personally, I believe the developer understands the vote may not pass and that litigation could follow.

My message to the developer is simple: Please conduct everything you do thorough due diligence before submitting plans to the City. As a businessman, I would not want to see you lose money in the same way prior owners did.

City of Menifee Update

A Message from Councilman Bob Karwin, Menifee District 1,
bkarwin@cityofmenifee.us

Greetings, Sun City.

In 2023, the City purchased the former Bank of America near the corner of Cherry Hills and Sun City to use as a fully operational police substation. When renovations began, we discovered that the building had a substantial amount of asbestos, which was common in construction of buildings of that age. This caused a delay in the project while our contractor removed all the asbestos to comply with current codes.

The remediation is now complete, and we are ready to begin the actual buildout of the interior. At the April 15th City Council meeting, the Council approved a contract for \$980,000 in renovations, including workspace for 20 officers and the retrofit of the existing parking lot and walkways to comply with Americans with Disabilities (ADA) standards. This will ensure that everyone has equal access to this facility.

The cost of the construction contract will be paid by our Measure DD – Quality of Life fund. This is a 1% sales tax that was approved by the voters in 2016. In addition, the City will pay \$30,000 from the general fund to cover the costs of computer networking, cabling, and security installation since those expenses do not qualify under the Measure DD – Quality of Life usage guidelines.

Construction is scheduled to be completed by the end of 2026 if we do not experience any serious weather-related delays. The station is anticipated to go live in Spring of 2027.

City Council meetings are held at City Hall the first and third Wednesdays of each month at 6:00 p.m. and are open to the public. You can also watch online on our YouTube channel. If you have questions, comments, or concerns about the city, please email me at bkarwin@cityofmenifee.us.

Time for a Bunco Afternoon of Fun!

- by Debbie Gabel

SENIOR GUYS and GALS (55+) are welcome to play! The Bunco Fun Bunch has approximately 44 players every month. There are NO Club dues, and we play for \$10 Gift Cards (GCs) instead of cash.

GAME DAY: Every fourth Wednesday, 1:00-4:00 p.m., in Civic Hall (26601 Cherry Hills Boulevard).

June's game is on Wednesday, June 24th. Doors open at 12:30-12:55pm for sign-ins. Doors close at 1:00 p.m. to start the game.

Games are played on long tables with plenty of space for "snacks and cups" and wild dice rolls! There are lots of snacks and many winners! Bunco play is fast, but easy. If you can roll dice and move from chair to chair, then you can play! Just come, sign-in, put your \$10 GC in the Prize Pot, set-up your snack on counter, put on a name tag, and then find a seat to start the game. It's that simple! Bunco rules are reviewed before the games start.

Game Day Player Requirements & Rules:

- RSVP - BEFORE 7:00 p.m. on Tuesday, June 23rd (IF we have extra players, only those who RSVP'd may play.)
- SCCA RESIDENTS - MUST show their White Activities Photo ID Card
- SCCA RESIDENT'S GUESTS - Residents may bring Guest(s), but you sign-in together.
- \$10 GIFT CARD - Players bring a \$10 Gift Card (GC) for the "Prize Pot." GCs should be for restaurants, grocery, and/or retail stores. Print Player's name on GC receipt and tape to card. This information is necessary in case there is a problem when GC is redeemed.
- DRINKS AND SNACKS - Players bring their own Drink AND a Snack to share with others (store-bought items are ok - no alcohol). Snacks are a requirement. Leftovers go home with you!

TO RSVP: CALL Mary Jane (760-310-5956) or Nancy (714-895-5001) or EMAIL Debbie at buncodebg@aol.com. Give your name, phone number, SCCA number, and your Guests' names & phone numbers. If you RSVP by email, be sure your name is on the email!

Bunco players are having a fun time!

Bunco Game WINNERS!

The Knitting Club Stays Busy

Another busy month has come and gone for our group. We continue to stay active, creating items for the many organizations and individuals who depend on our donations and support.

We enjoyed a wonderful St. Patrick's Day celebration, and our March birthday event was filled with fun and laughter. Members played games with prizes, enjoyed cake, and celebrated our March birthday ladies together.

One of our biggest projects this year has been supporting Project Linus by providing much-needed blankets made from flannel, crochet, and knitting. We are currently focusing on several recipients who are in especially great need of additional handmade items. Donations of yarn and monetary contributions to help purchase supplies are always greatly appreciated.

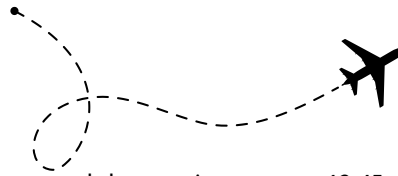

We were also pleased to welcome guest speakers, Michelle from Project Linus and MilVet founder and CEO Raven H. Their presentations were both informative and inspiring.

Everyone is welcome to stop by whether you would like to join, learn, or simply visit. We meet every Tuesday, from 11:00 a.m. to 3:00 p.m., at 26601 Cherry Hills Boulevard.

Our most recent in-house raffle featured a beautiful item made by member Mary W. and was won by member Sylvia. Congratulations to the winner and thank you to everyone who purchased raffle tickets. All proceeds went directly into our treasury to help support our ongoing projects and donations.
