Message from the President

By Brian Holley, President of Sun City Civic Association

If you've noticed, the campus received quite a haircut. We had to take out a lot of trees full of bark beetles and cut down the date palms. The palms have been a long-standing issue because they have had to be trimmed twice a year (over \$7,000 per year) and created a liability with the dates. My truck slid from the Cherry Hills parking lot to the street due to the dates. It was high time we quit wasting money and opening ourselves to liability and, instead, use the money for events/dinners. We will be looking into planting trees that are not so messy. Before we do that, we are going to have to expend more money to find out where the sewer pipes are located so we don't plant on top of those. Over the past two years, over \$60,000 has been spent on sewer repairs mostly due to age but also because these pipes are full of roots. I hope this helps explain the missing trees.

Now, I'd like to talk about something that is happening throughout the neighborhood. All it takes is one person to tell neighbors and everyone else that it is okay for strangers to live in a home where the owners have been dead for many years. Further, these same people are telling these strangers that they can do anything they want because the HOA will not know anything about it. Please do not test that theory out because you will find out very quickly that office staff and the Board are busy every month with many violations. Since February, we have been dealing with 800 different violations, ranging from weeds to underage residents and RVs. However, everyone seems to want to test us. Please don't test us because it will cost you in fines in the long run.

In the past, when compliance of violations was met, fines were forgiven. Now, due to the lack of compliance, there is the possibility that the fines will not be forgiven. Soon, we are considering suspending activity cards for those who have violations until those are corrected. I and others feel that we all should not carry the brunt of this because someone doesn't want to follow the Rules & Regulations.

For those of you that don't think we have the right to make Rules & Regulations, this went on years ago with other Board members and our lawyers. They learned that, when we incorporated from Perris Development Corp to Sun City Civic, we were given the authority to create CC&Rs. The CC&Rs say we have the right to create bylaws, and

the bylaws say we have the right to create Rules & Regulations.

Speaking of legal issues, if you have a problem with a sidewalk or street and you are going to sue someone, don't sue us. We have nothing to do with sidewalks or streets. The city works on things as their budget allows. When you end up suing us, you are suing yourself. If your renter sues the Association, you are suing yourself as the landlord as well. We must pay money to attorneys to go before a judge to explain that we have nothing to do with this. It is usually dismissed. However, in some cases, when it becomes expensive, then we counter sue to get our money back, and 100 percent of time we get our money back for false claims. Please help us out by going to the right places.

Daily, our office staff works diligently to address violations and help people out. When you come into the office and have something to say about a violation or want to know what is being done about a violation, unfortunately, we cannot tell you because of privacy laws. If office staff does give you information, not only can we be sued, but staff can also be fired. If it seems like they have an attitude about it, they deal with a few of these every day and it gets tiring. If you have a problem with a home, all you must do is give them an address and tell them the problem. Then, they will investigate it to see if it is on the books, which seven times out of ten they are. It's the other three that we need. As we have always said, if you see something, say something.

We are going to be providing dinners (delivered) for Thanksgiving and Christmas. If you would like to volunteer to deliver 250 dinners to homebound people, come to or call the office to sign up, the more we have, the less dinners people must deliver. This year, aside from Christmas dinner delivery, we are having a formal sit-down Christmas dinner, but you can't sign up until the December Core Courier is sent out. If you are getting a Christmas dinner delivered to your home, you can't come to the formal dinner. Just select one option, please!

Everyone had a great time at the annual Halloween party. All I can say is we are doing great as an Association. Thank you for helping contribute to such a great place to live!

I hope you all have a great Thanksgiving.

Happy Thanksgiving

General Manager’s Message

By Norma Zermeno, General Manager

I hope everyone is well.

Thankfully, we have very minimal construction on campus. We have refurbished the Memorial area, including the waterfall/fountain and landscape. It is more serene and is the perfect area for reflection.

In refurbishing the Memorial area, we are now able to accommodate addition of Memorial Bricks for Veterans. If you are interested in purchasing and customizing a brick, please visit the office to view the costs and to place an order. We need a minimum of five bricks ordered to begin the process and will take up to 12 weeks to receive. Once the brick is received, we will install it at the Memorial area.

There are a few events coming up:

- Our Annual All Clubs Social on Nov. 16 will be held in Webb & North Halls. Come out to see all the clubs that are on campus. Please refer to the flyer in this *Courier* for details.
- The City of Menifee will hold a bulky item drop off here on campus on Nov. 16 in the parking lot in front of Billiards/Civic Hall. Please refer to the flyer in this *Courier* for details
- Thanksgiving Dinner delivery will be Nov. 18 to those in need/shut-ins. This year, 250 dinners will be delivered. Please refer to the article in this *Courier* for details
- A sit-down, formal Christmas Dinner will be held on Dec. 7. If you sign up for this dinner, you cannot sign up for the Christmas meal delivery later in December. Please refer to the flyer in this *Courier* for details

Since the *Courier* articles are a month in advance, we will publish the Halloween pictures in the upcoming issue.

I hope to see you at one of these events!

The Dueling Pianos event was great (photo below)! We had a sold out crowd and almost everyone was dancing and singing. We will be sure to have them back next year!

We held a very successful Town Hall with the City of Menifee Mayoral and District 1 candidates (photo above). Very interesting information was provided by each candidate. The County Registrar of Voters will be in the Trophy Room for you to vote and drop off ballots. Please get out and vote!

Unfortunately, the Farmer’s Market that was being held on campus had to shut down because there was no market manager. The Association did not want to take over the task of managing vendors, the Health Department, the City, the Fire Department, payments etc. It was a great run, and we are thankful it was held here.

A big THANK YOU to The Senior Knitters & Crocheters of Menifee. They have donated handmade 200 — yes, 200! — afghans, lapgans, and small blankets. We will hand them out to those in need/shut-ins during the Thanksgiving delivery, and some will be used as a raffle for the sit-down Christmas Dinner. Please thank them if you get the time!

Do me a favor, thank a Veteran!

I hope you all have a great Thanksgiving!

Upcoming Events... Open To All!

FREE THANKSGIVING DINNER

We are once again offering a free Thanksgiving dinner to SCCA members via delivery rather than holding an in-person event. Since it has worked so well over the last four years, we have again retained Gracie's Lunchbox to provide the dinners. If you would you like a turkey dinner and dessert delivered to you by the SCCA on Mon., Nov. 18, please call (951) 679-2311 (press zero) or email activities@suncitycivic.com to RSVP.

There will be NO COST, but only 250 meals are available, so please hurry! It is limited to four dinners per household. However, there must be the same number of residents in the home on file. For example, if you live alone and we only have you on record as residing in the home, then you will only receive one dinner, not four. We offer these dinners to those in need and/or shut-ins, so please consider these factors before ordering.

We also need volunteers to assist with dinner deliveries. Picking up the meals and taking them to their happy recipients will take about an hour or two, with "contactless" delivery on the morning of Nov. 18. If you are interested in volunteering, call (951) 679-2311 (press zero) or email activities@suncitycivic.com. Dinners will be delivered on Nov. 18 beginning at 10 am so please be home to answer the door. Happy Thanksgiving!

DISCOVER ALL THE CLUBS SUN CITY!

Join us for our All Clubs Social on Sat., Nov. 16 from 10 am to 1 pm in Webb and North Hall. Enjoy live demonstrations of dancing, woodworking, lawn bowling and more. Play Club Bingo to enter the raffle! There will be food for the first 200 residents. First come, first served with ticket. Food is one per resident with activity card; ticket will be issued when you sign in with office staff.

You are invited to our Sun City Civic

Christmas Dinner

Sat., Dec. 7 • 4 - 7 pm
Web Hall

Dinner will be served by Gracie's Lunchbox with live music by The Ray Miller Band. Limited to four registered residents per home plus one guest. Cost is \$10 per person. Limited to 150 persons total. RSVP to activities@suncitycivic.com or call (951) 679-2311 (press zero). If you sign up for this dinner, you may not sign up for the dinner delivery at the end of December.

Celebrate with us!

Numerous Accomplishments, More to Come

By Menifee Mayor Bill Zimmerman

Please allow me to start by saying this: “the credit goes to my team.” The team includes my colleagues on the City Council, staff at City Hall, and all the residents who roll up their sleeves to serve as volunteers.

A quick look back at the last six years reminds us of some very significant upgrades put in place to improve our lifestyle right here in our home town. We created our own Municipal Police Department, purchased a new Ladder Truck for our Fire Department, added a second Medic Squad to Fire Station 7, and have almost completed construction of a brand-new Fire Station 5 on Goetz Road to improve service and response times on the west side of the community.

We saw the completion of Scott Road/I-215 Interchange project, and we’re excited about the grand opening of Holland Road Overpass Bridge. I appreciate that our Public Works staff heard my encouragement and installed a traffic signal at the front entrance of the MSJC college campus making it much safer exiting onto Antelope road, especially after major events.

More than ten brand new parks have been added recently, including a unique ‘pump track’ for BMX bikes, and we are in the design process for a ‘green space’ park for seniors in Sun City. There are also two new Community Centers in design and coming soon. One of them will be built by a developer as a result of my negotiation during the approval process. I’ve always said that developers should pay their fair share and deliver public improvements as part of the entitlement. The builders will push back, but our residents will enjoy the benefits of diligent leadership at city hall when we hold our ground and extract concessions. This year, we created a summer Aquatics Program held at Paloma Valley High School’s new pool so that children can learn to swim and enjoy supervised pool recreation. If it prevents one

drowning, it’s worth doing.

One of the City Council’s strategic plan goals is to enhance our “social infrastructure.” We are offering new opportunities to enjoy visual and performing arts along with promoting local history and cultural experiences. Menifee’s Parks team hosts free events during the year, including Veterans and Memorial Day ceremonies, a special Welcome Home Vietnam Veterans event, Easter egg hunt, Independence Day parade and fireworks show, Fall Festival, and Holiday Tree Lighting, to name a few. Our summer Foodie Friday events at MSJC have proven to be very popular with residents.

We also heard from residents that they would like to see more sit-down restaurants, so we created an incentive program where upscale eateries are attracted by financial benefits we offer, such as reduced permit fees and sales tax sharing during the first years of operation. These incentives proved to be successful. Today, we have new dining opportunities, such as Black Bear Diner, Olive Garden, Tacos & Tequila, Bushfire Grill, and Savage Chef, to name a few.

It has been a joy to see these positive changes, and I know we are just getting started. Thank you for the privilege of serving as Mayor of this remarkable city.

At the end of my monthly articles I like to share an interesting bit about our local history.

Menifee’s early settlers were impressive, some of them arriving on foot, horseback, or in a covered wagon. One unique traveler, 22-year-old Walter Zeiders, arrived in 1909 from Pennsylvania by motorcycle. His motorcycle looked more like a bicycle with no suspension, wide handlebars, and a tiny one-cylinder engine. He worked his way across the country, stopping at farms on the journey to work for food and some money for fuel. When he arrived here, Walter found work at William Newport’s ranch. He eventually built his home on Zeiders Road in 1934, which still stands today.

Homeless Epidemic in Menifee

By Bob Karwin, City Councilman, Menifee District 1

Homelessness is a large, growing issue in all of California right now, and it is especially concerning for our residents of Sun City. On Sept. 18, City Council conducted a public workshop to discuss the current situation and develop some solutions. Here is a summary of what was discussed.

Every January, the County of Riverside conducts a “point in time” count where official contact and count every unsheltered homeless person in the county. I have participated in this count that last three years. In 2024, there were 18 individuals in Menifee who were known to be here unsheltered on a long-term basis. This was compared to 28 in 2022 and 25 in 2023. In 2023, Lake Elsinore had 110; Murrieta had 165; Temecula had 73; and Wildomar had 46.

The two major reasons for homelessness are drug addiction and mental health issues.

Right now, each city has its own approach to data collection

and outreach. We have developed a plan to coordinate with our surrounding cities to take a regional approach. This will expand our resources to assist individuals off the street and into programs that will help them reconnect with their families or begin to support themselves again.

Homeless individuals tend to congregate near the Cherry Hills Plaza because our residents are generous and good hearted. They have learned that shoppers in that plaza will give them money and other supplies to make life a little easier. As hard as it may be and instead of providing handouts, we are asking everyone to call our police non-emergency line at (951) 732-1500, so they can send our Homeless Liaison Officer Rochelle Hunter, to the scene to offer services and support.

City Council meetings are held at City Hall the first and third Wednesdays of each month at 6 pm and are open to the public. You can also watch online on our YouTube channel. Feel free to email me at bkarwin@cityofmenifee.us.

Garden Club

The Garden Club is Ready to Meet You

The next meeting of the Garden Club is Tues., Nov. 19 at 10 am. Sign in, enjoy refreshments, see our plant table (members bring cuttings and plants for sale), view the Treasure Table (donated items are raffled), and visit with other members. Each meeting participant also receives a raffle ticket for door prizes. Meetings are always the third Tuesday of every month, from September to June.

Although we don't meet in July and August, we're busily planning our September to June year. We have many activities planned, including another local botanical garden, a beekeeper, and Master Gardener. We will also be learning about the benefits of earthworms, water-wise gardening, and much more. Come join the fun and learn all you can to create a garden oasis in our desert community.

Our home tour is planned for April 2025, so don't miss out seeing what some of our members have planted and done to enhance their individual landscapes. There are so many gorgeous yards that are drought tolerant that provide many benefits. Call us if you'd like to join the tour!

Did you know that earthworms help breakdown your fresh food scraps and paper towels as well as improve water filtration and soil aeration? Their castings are a very valuable type of fertilizer. Earthworms are usually

an indicator of a healthy garden!

We're all about teaching, learning, and working together to make our individual spaces at home as much a paradise as possible. With drought-tolerant landscaping (not just cactus!), a yard can be transformed while using very little water. Come join our President Jennifer Lopez, co-Vice Presidents Jill Hardy and Valerie Gibson, and Treasurer Camille Susca to learn about the fun things we can do to beautify our surroundings. ~ Jill Hardy

Sun City Twirlers

TWIRLERS ANNOUNCE NEXT DANCE It's finally fall in Sun City! The Twirlers Square Dance Club welcomed September with a dance theme of Fallen Leaves, and many attendees definitely dressed the part. In September, we welcomed 10 new dancers to our beginning square dance classes in Civic Hall, and it has been great seeing how much fun they are having already! October's dance theme was Halloween Hatter, and we enjoyed seeing all the different types of hats that were worn. For info, call or text Dawn Graham at (714) 309-7729.

Yoga

Yoga is currently every Friday, from 9 to 10 am in North Town Hall. Yesi, the instructor, does a fabulous job with all levels of Yoga expertise. Yesi brings nine years of yoga experience and two years of teaching. Yesi's focus is on Hatha yoga, a gentle and nurturing style of practice. For those that are new to Yoga or have any flexibility issues,

a chair can be used in addition to a mat. There is plenty of room for more to enjoy the wonders of Yoga for flexibility, mental fitness or just getting out of your home to meet others. Mats are available if you don't have your own! Come join us and feel great again!
